

“ WHAT FEELS GOOD “

“Tips that help.

Hi!

I'm KARE, Queen of the Best of Everything!

I want the best for me... and for you too!

SO....

Here are some good ideas that will help us all feel good:

Complete what you start. Put things back where they belong.

Allow another to complete what was started too.

That means; if someone is talking or doing something,

allow them to finish.

Help... and help cheerfully.
